

Blu Stick

SOLVENT FREE ADHESIVE IN A SOLID STICK

Date: 28 March 2022

Fact Sheet No.: TDS00207

YOUR SMART ADVANTAGES

- Goes on blue, dries clear
- Odourless and solvent free
- Ideal for sticking most paper and card

USES

Bostik Blu Stick goes on blue, so you can see where you are sticking, then dries clear! Solvent free, clean and very easy to use. It is ideal for use on most paper based materials including card, crepe, tissue paper and photographs.

Bostik Blu Stick is UKCA and CE approved so is suitable for use in schools and home. Bostik Blu Stick has been formulated to be washable so accidental messes can easily be cleaned up.

Store for up to 18 months from date of manufacture when stored in original, unopened packaging under dry conditions within the temperature range of +15°C to+25°C.

TYPICAL PERFORMANCE DATA (Approx.)

Application Temperature

+5°C to +30°C

Solid Content

35.0-39.0

Water Resistance

Poor

PH Value

10.5-11.5

DIRECTIONS FOR USE

Before using Bostik Blu Stick refer to the relevant Health & Safety Data Sheet, available at www.bostik.com/uk.

PREPARATION

1. Ensure the surfaces to which the adhesives is to be applied, are clean and dry.

APPLICATION

2. Remove the cap and turn the tube base clockwise to extends the glue stick.
3. Apply the glue stick with even strokes.
4. Press the surface to be glues together immediately
5. Wind the glue stick back down from the tube by turning the base anti-clockwise.
6. Replace the cap after use

CLEANING

7. Excess adhesive maybe removed with damp cloth.
8. Adhesive on clothing may be washed out of clothing before the adhesive sets

PRECAUTIONS IN USE

Not suitable for damp, delicate, absorbent and newly

decorated surfaces. If in doubt, test small area, first. The adhesives gets stronger with time, so take care when removing.

For any application not covered please contact Technical Services on +44 (0)1785 272625 or visit www.bostik.com/uk for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

For health and safety instruction, first aid measures and spillage and disposal instructions, see separate Health and Safety Data Sheet for Bostik Blu Stick, available at www.bostik.com/uk.

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
